

Anglais — page isolée (grammaire et rédaction)

En-tête non photographié — la page fait suite à une épreuve d'anglais différente des deux précédentes (le sujet de rédaction porte sur Internet à la maison).

Choose the correct tense of the verb: 5- If our team had trained hard, we (will win, would win, would have won) the match.

Turn into passive voice: 6- The player scored a wonderful goal.

III- Writing (8pts)

You are a student in form 4. Your parents have installed a Wi-Fi internet connection at home. You would like to have access to it in order to improve your acquisition of knowledge but they refused, because they think internet is bad for students. They ignore the importance of internet for studies. They don't know the way it helps students in their learning process.

The following picture shows some students using the internet.

In an essay of about 15 lines, point out the advantages of internet today, especially for students.

Relevance: 2.5pts — Accuracy: 2pts — Coherence: 2.5pts — Perfection: 1pt
